

## 2016 Contingency Programs

---

Thank you for choosing Collector Tethers for your race car. If you returned your required information for 2014-2015 and met all of our criteria your payment should have been received by now.

If there was a discrepancy in what you provided because your submission was not complete or you did not meet our requirements you should have been notified by letter.

If you haven't been paid and don't know why, please contact us directly so we can make sure you are taken care of properly.

CollectorTethers.com has paid back to the Sportsman Racers over \$40,000 in contingency payments the past 2 years and we would like to congratulate all recipients on their accomplishments including all of the World Championships!

For 2016 Collector Tethers will not be posting NHRA Contingency, but instead working with Individual Race Promoters in helping support races across the country.

We will again have Racer Support at a multitude of races across the country. Just look for the CollectorTethers.com flags flying at a races you may be attending.

Best of luck this season!

Sincerely,  
Scott Lemen & Lynn Ellison
